Oceanography

Loch View, CA | asayson@myisp.com | 111-222-3333

About Me

Building a career in oceanography is a natural fit for me—I've always loved the ocean. I've visited beaches in Africa, South America, Japan, and Ireland and I am committed to understanding and protecting these environments. I'm hard-working and like challenges.

Skills

Problem solving, Teamwork, Communication, Creativity, Water safety/swimming, Marine equipment
